WELCOME - BOXERS AND VISITORS

And we think they will do it! All appearances, the present weather notwithstanding, point to an unusually successful affair. We won't know until the final count is in how many spectators turn out for the big show, but at least there will be plenty of colorful boxes on hand to provide top-notch entertainment for those who do attend. And the present indications are that ticket sales will be brisk with many going in to see the national amateur boxing championships which is a once-in-a-lifetime chance, right on our doorstep. Director Michael Gormley has given a complete rundown of the boxes who are coming in his section of the paper "Looking At Recreation" which, this week at least, should perhaps have been titled: "Looking At Boxing".

WEIGHT - 172 POUNDS.

This Friday and Saturday will mark the long awaited and much anticipated day when the great national event, the Canadian Amateur Boxing Championships will come to Drayton Valley.

Feverish preparations have been made with many, far too many to enumerate by name, men and women working hard and long to put the big show across successfully.

They are, left to right, Jack Falls, honorary chairman of the local C.A.B.C. committee, George Bougie, Gordon Russell, chairman of the provincial committee, and Paul Horne. Not present for the picture were two other members of the provincial committee, Tom Harris and "Pussy" Solomon. Mr. Falls is also a member of the provincial committee.

KINGSTON FIGHTER IN DOMINION FINALS

Another outstanding boxer entered the Canadian Amateur Boxing Championship Tournament Tuesday morning when Jimmie King, a heavyweight from Kingston, Ontario checked into Drayton Valley. Jimmie is with the Canadian Army. Central Command and will be representing the Eastern Ontario area.

Ontario Area Golden Gloves Champion for 1961. The deciding factor on King's entry into the Canadian Championships as a Heavyweight was his stunning victory over John Carlo Barzotto of Toronto who was hailed as the outstanding Heavyweight in Canada today. Jimmie sent Barzotto into deep-land in exactly 1.45 of the first round to get his ticket to Drayton Valley and the Dominion Finals.

FARMERS! NOTICE
As some may know Mohl Oil of Canada from time to time will order the Government of Alberta to reduce the sum of money being paid to farmers for oil well dina.

In the past a farmer who had received less than \$250.00 per year total for a wellbore, roadway, and a 1/8 mile of flowline had this cut to less than \$200.00 per year total flowline.

To see how the government protects the poor oil company from the day, usually overnight (farms) you are invited out on Monday at 3 p.m. May 18th at the east 1/2 Sec. 10-48-W6 to see at first hand and perhaps be inspired by the wisdom of the board of arbitration from the land titles building in Edmonton.

GYMKHANA NEWS

By Carole McCollough

The meeting of May 7 was postponed due to the arrival of cold weather. Another meeting has been called for and will take place in the Legion 1930 on Thursday May 11th, at 7:00 p.m. It is very important that all members attend, many subjects that are of interest to all will be discussed.

When the Gymkhana Club was started in Drayton Valley many people were going to join and often were going to purchase horses for their children. These people have not attended the meetings or contacted us to let us know if they wish to join. We are ready to plan summer activities and certainly don't want to leave anyone out.

Again I will express the need for associated members. Many people have the mistaken idea that you need to own a home to join. But this is not the case. Our club is ready in need of associate members as judges, time keepers, etc. (no experience necessary) We are also in need of transportation for horses, anyone with a truck & rack who would like to volunteer their services on a Sunday or Saturday to move a horse. Please contact 542 - 2006.

We are also to hold a gymkhana next Sunday May 14 in Drayton Valley at 1:30 p.m. this will be discussed at the meeting on Thursday night.

We hope to see a large attendance Thursday night.

See you at the meeting.

CWL Regular Meeting

The monthly meeting of C.W.L. was held at the rectory on May 1, with 18 members, one guest and director Father Servien in attendance.

Plans were finalized for the Mothers Day Tea and Sale to be held on Saturday, May 13th at the Secor Hall from 2:00 to 5:00 p.m. Mrs. Whenham and Mrs. Bengtson will convene the tea and bazaar sale.

A communion breakfast will be held for the first communicants

and their parent on First Communion Sunday.

Father Servien thanked the retiring executive for their fine work and then presented the parcel to the new president Mrs. Trudel who then took over the meeting. Best wishes of encouragement is extended to the new members of the executive.

Silver engraved spoons were presented to Mrs. Mokkris, Mrs. Lemish, Mrs. Vaugots, Mrs. Home, Mrs. McDonald and Mrs. Shoney for perfect attendance.

A delicious lunch was served by Mrs. Horne, Mrs. Mabo and Mrs. Brankli.

Hospital visitors for May and June include Mrs. Trudell, Mrs. Shapley, Mrs. Weber and Mrs. Saulnier.

Congratulations to Mr. and Mrs. Leo McKenna on the birth of their son Darcy Francis.

TOWN BOARD OF ADMINISTRATORS MEETS.

Among items discussed at a regular meeting of the Administrators of the town recently were proposed sidewalks and a by-law to control the dogs in Lodgepole.

Under authority of Section 367 of the Town and Village Act of the Statutes of Alberta, the Board of Administration of the New Town of Lodgepole enact as follows:

An engineering firm will be consulted to determine the cost of running a sidewalk from the business section of the town to the school. This is an expensive project which, if it goes through will be paid for partly from the provincial 5-year plan for the improvement of towns and from general revenue.

The second topic of importance was the preparation of a by-law to control the movement of dogs within the town. Notices of the by-law has been posted in business places in town, but the full text of it is presented here:

one-year Teacher Training program at the Faculty of Education, University of Alberta, for the 1961-1962 winter session. Applicants are asked to submit their Grade 12 examination results if and when they are available to the Secretary-Treasurer Lodgepole School District, Lodgepole, Alberta. The successful applicant will be expected to teach two years in Lodgepole.

BASEBALL LEAGUE BEING FORMED

It is interesting to note that we will again have a ghill program of baseball here in Lodgepole. Four teams have indicated an interest in a league composed of local teams and Cynthia. It is possible that these will be teams from the Bazaar Project and from Drayton Valley. In our next issue of the LOG we hope to have a copy of the schedule, and also news of the BIG BIG BASEBALL TOURNAMENT for May 20 here in Lodgepole.

Two projects are underway to obtain funds to operate the local clubs, a raffie by the PAN-AM boys, and a Bingo over Cynthia way. Pick up your tickets or cards right away.

Reports

The big news in Agriculture is the big contract with China for wheat and barley.

Following is the statement made in the House of Commons in this regard by the superintendent, Minister of Agriculture, the Honourable Alvin Hamilton.

Statement by the Honourable Alvin Hamilton, Minister of Agriculture, to the House of Commons, on May 2nd, 1961, regarding Chinese Grain Sale.

The House will recall that on February 2nd I informed The Honourable Members that a sale of 40 million bushels of wheat and barley, valued at approximately \$40 million had

been contracted between the Canadian Wheat Board and the Chinese Resources Company, I now inform the House that there was an additional sale to China of 2.2 million bushels of wheat valued at \$3.7 million for shipment during March to May, 1961.

Those connected with shipping grain through the West Coast ports have made a fine effort to meet these commitments. As a result the grain sold to China for delivery between March and August is being loaded ahead of schedule.

Simultaneously, with the fulfilling of the first order there have been discussions and finally negotiations between the Canadian Wheat Board and the Chinese Resources Company concerning further amounts of grain that could be made available. Because of the quantities of grain involved and other factors, the Canadian Government felt there should be an overall agreement to facilitate orderly marketing.

I am now pleased to report that a Long Term Agreement has been signed.

This Long Term Agreement covers the period of June 1st, 1961 to December, 1963. Under this Agreement we have committed ourselves to provide up to 6 million tons of barley, wheat and flour. Of this amount approximately 1 million tons will be barley. To put this into approximate bushels and value, it would pro-

visionally be 166.7 million bushels of wheat and 44.7 million bushels of barley, worth approximately \$363 million.

If one adds the previous order for 23 million bushels of wheat and 13 million bushels of barley, valued at \$60 million then the total transaction that could provisionally be expected in the three calendar years 1961, 1962 and 1963 will be 237 million bushels of wheat and 58.8 million bushels of barley with a total approximate value of \$423.8 million.

I mentioned earlier that the first order of 40 million bushels was being moved satisfactorily. As an extension to the order now being fulfilled a contract to provide additional grain from June 1st to November 30th of this year has been signed. It is the first contract under the Long Term Agreement. The amounts are 150,000 long tons of wheat, 360,000 long tons of barley and 32,500 tons of flour to be shipped mainly from West Coast ports. The equivalent in bushels is 25 million of wheat, 17 million of barley and 1.6 million of flour. The estimated value of this order is \$66 million.

The terms of payment under the Long Term Agreement are 25 per cent cash, and the balance in 90 days.

Honourable Members will appreciate that it is beyond the resources of the Canadian Wheat Board to extend credit facilities for the quantities involved in these transactions. Accordingly the Government, reflecting its intensive efforts to sell grain in volume to new markets, is prepared to guarantee to a maximum of \$60 million the credit necessary for the Canadian Wheat Board to conclude these transactions on a short-term credit basis.

I have made clear that there is a Long Term Agreement. Under that Agreement one contract has been signed. Each future contract will be negotiated in respect to price and quantity.

A Sale of this order will spread substantial benefits through the Canadian economy. Not only will it provide a welcome increase in western farm income, but this in turn will release new purchasing power for the goods and services required by farmers from the business community at large. Additionally the sale will generate increased employment for country and terminal elevator operators, railway and dock workers, and others engaged in the domestic handling and export movement of grain and flour. It is apparent that new grain sales of this magnitude will add significantly to Canada's total earnings from exports. Business activity in general will therefore be stimulated to a marked extent by the conclusion of this new sales contract with China.

One thing you get by putting yourself on the back to a lot of allow room.

MOUTH-TO-MOUTH METHOD

Place the casualty on their back. Put him on table or raised platform for your comfort, if possible. Place hands flat on chest and under shoulders. Over the chest and forward to straighten airway. Be sure any foreign matter is removed.

Take a deep breath. Push the casualty's mouth. Place mouth to mouth tightly. Blow into the casualty's lungs sufficiently strongly to cause his chest to rise.

Turn your head every 10 seconds. Take a deep breath and repeat the process—every three to five seconds. For an adult, breathe more frequently. Be sure there is always a tight seal between mouth and mouth.

Looking at Recreation

By: Michael Connolly
Recreation Director

THEY'RE COMING FROM EAST AND WEST!

Possibly the term "Looking at Recreation" is a misnomer for this week's column, readers. It should be "Looking at the Canadian Amateur Boxing Championships in Kananaskis, Alta., in 1981 and was voted the outstanding amateur athlete in Canada that year. Lidy is a strong aggressive fighter who will be hard to stop in the Championship for Tony.

AL BRACHIO: Age 36, Weight 175 lbs.

The stage is set for the history making event, Friday, May 13 and Saturday May 14, 1981 will be memorable days in the brief eventful history of Drayton Valley. Our town will be hosting Canada in one of the year's major sports events, the National Amateur Boxing Finals. Fifty-two fighters, the very cream of Canada's amateur boxing crop, will be pouring into the heart of the Pembina Oil Field from every corner of our great country. These boys will be coming here with one outstanding goal in mind: to become a Canadian champion in the mite-swinging class. Of the fifty-two hopefuls, however, there will be forty-three meet with bitter disappointment since there can only be nine National champions when the time finally arrives next Saturday night.

With this great festive extravaganza being the center it would seem like an ideal time to take stock and see just what we will have on hand in the way of fighting material. Due to the very late receipt of a great majority of the entry forms, specific information on many competitors is sadly lacking, however, here is a general lineup of the would-be champions whom you will see in action here on Friday and Saturday.

HEAVYWEIGHTS

Sad to say, competition among the big fellows in the tournament will be totally lacking. Good heavyweights in Dominion Tournaments have been scarce during the past few years, however, this time the lambs come to have reached to peak all across the country. There is not one of any kind - good or poor.

LIGHT HEAVYWEIGHTS

Lindy Lindeman: Age 27, Weight 172.
Possibly one of the greatest amateur fighters that this country has ever known, Lindeman comes from the South Hill Boxing Club in Vancouver B.C. and has been fighting for approximately seven years. Few amateur athletes have been able to equal Lindy's record of wins and championships. Among other feats Lindeman has been five-times B.C. Golden Gloves

Champion, has won the Seattle North-West Gloves 3 times, the Portland and Tacoma Gloves 4 times each. He won the U.S. National Amateur Boxing Championship in Kananaskis, Alta., in 1981 and was voted the outstanding amateur athlete in Canada that year. Lidy is a strong aggressive fighter who will be hard to stop in the Championship for Tony.

AL BRACHIO: Age 36, Weight 175 lbs.

Cpl. Al Brachio is a member of the R.C.A.F. and is stationed in Cold Lake, Alta. A native of Montreal Brachio started fighting when he was stationed in Germany in 1963. On his return to Canada, Al campaigned through Quebec and Ontario for three years. He captured the Quebec Light-heavyweight championship in 1965 and again in 1967. He fought as a Middleweight in 1969, took the Quebec title once more and was runner-up in the National Tournament, held in Toronto that year. He came to Alberta early in 1969 and has run up an impressive record in this province. He was Dominion Champion in 1980 and so far this year has made a clean sweep taking the Golden Gloves, Northern and Provincial League with plenty to spare. Brachio is the most improved fighter in Canada today and the "Fighting Flyer" has his eyes on the Dominion Championship for the second straight year.

David Todd: Age 23, Weight 174

Dave will be here with the Royal Canadian Navy team from Halifax, Nova Scotia. Todd is presently stationed at Dartmouth N.S. with H.M.C.S. Shearwater and has set up a very formidable record both in Service and civilian competition. A real "slug" performer Todd could be the best stumbling block in the 175 pound class.

MIDDLEWEIGHTS

Gordon Riddell: Age 25, Weight 165 lbs.

One of the true veterans of amateur boxing, but still one of the most dangerous men in the game, Gordie means to move on or less retired as a club fighter but he means to haunt the dreams of youngsters aspiring to Provincial and Canadian Championships. Riddell has a long list of Golden Gloves and Alberta Provincial Championships to his credit over the years. A real crafty and colorful fighter who knows all the ropes and can score a knockout with either hand.

Don Cameron: Age 29, weight 165 lbs.
From St. Boniface's Madison Boxing Club, Engel has been competing in Manitoba and Ontario rings during the past few years. A real formidable fighter.

Don Cameron: Age 29, weight 165 lbs.

Cameron is with St. P.C.L.L. Canadian Army, Western Command. He has fought 47 fights and is 1981 Western Command Lt. Middleweight Champion as well as Golden Gloves kingly at the same weight. A formidable fighter.

Earl Swayzie: Age 27, Weight 160 lbs.

Swayzie is a product of the Madison Boxing Club in St. Boniface, Manitoba. A rugged cut-throat fighter has several years of experience in this game and has been a standout as a Welterweight, a Light Middleweight and a Middleweight. His flexibility weight has made him a triple threat over the years.

LIGHT MIDDLEWEIGHT

Mickey McGuire: Age 19, weight 158 lbs.

Competing under the South Side Legion alias, Mickey comes by his trade honestly as his father was an outstanding boxer in his day. Under the direction of "Sunny" Jim Parsons, McGuire has come a long way in the past two years. Won 1981 Northern Alberta and Provincial Championships to qualify for Nationals.

Harold Mann: Age 23, weight 158 lbs.

Presently fighting out of Prince George, B.C., Mann was with the South Hill for 3 years, winning the Dominion Welterweight crown in 1968. He is a strong, durable fighter who will give the best of them plenty to worry about.

Andy Heavy Runner: Age 25, Weight 154 lbs.

A rugged action - type fighter Andy has been throwing leather for approximately six years now. He has competed in the Alberta Golden Gloves on occasion and has an outstanding record in the "All Indian" Bookchin Games. Andy comes from the Carleton Place Reserve.

Don Cameron: Age 29, weight 165 lbs.
From St. Boniface's Madison Boxing Club, Engel has been competing in Manitoba and Ontario rings during the past few years. A real formidable fighter.

Zillo comes from H.M.C.S. Kesteven: Halifax, N.S. He has compiled a fine record in Navy bouts and is a real contender for the Canadian title.

NOTE: Word has been received from Central Command of Canadian Army that one fighter from Camp Valcartier, Quebec will be competing in the Light-Middleweight Class. Presently his name is not known, and no other information is available.

WELTERWEIGHTS

Bill "Curly" Adams: Age 25, Weight 147.

With the South Hill Boxing Club in Vancouver, B.C. Adams is an exceptionally handsome fellow who looks like a chole boy more than an outstanding boxer. "Curly" won B.C. Golden (Cont., p. 10, Col. 2)

WIREWORMS

These yellow, wire-like worms that work underground have cost district farmers angust over the past few years. On crop showing signs in the drill rows the crop may be victims of the wireworms.

Close examination of emerged or unemerged seeds will often reveal wireworm damage as a burrowed into, or hollowed out seed. Young seedlings, damaged by wireworms, will show first a dead center shoot that can be easily pulled out of the plant and is shredded at the severed end. If the plant is dug up, a hole in the soil surface will be found. Later the whole plant may die and later blow away to leave no evidence that a plant was once present. Casual scratching or digging in the soil at this time generally reveals relatively few wireworms.

However, if the soil to a depth of six or more inches is carefully sifted through a screen as many as ten wireworms per square foot may be found, although none were found in a casual examining the top two or three inches of soil.

While it is possible to grow more resistant crops such as legumes or grass, or to starve wireworms with clean summerfallow practices, chemicals have become the most convenient and practicable method of controlling wireworms. In cereal crops, seed treated with an insecticide (aldrin, heptachlor, or lindane) at about one ounce of active ingredient per acre, costing less than 50¢/7½ per acre, prevents damage and kills a certain percentage, but not all the wireworms present.

Seed treatments, while highly effective, can fail if not applied at recommended rates or if unused seeds are planted too early or too late. In some cases, heavy high populations will have sufficient survivors to cause damage regardless of the treatment. Efficient seed treatment should be used to obtain a uniform application of treatment on the seed. The seed cleaning plant at Stony Plain is well equipped for this work, for those close enough to use it.

HUMAN FACTORS IN MANAGEMENT & SUPERVISION

UNIVERSITY OF ALBERTA DEPARTMENT OF EXTENSION

University Extension is pleased to announce an intensive short course in Human Factors in Management and Supervision to be held May 15th to 19th, 1981 at the university campus in Edmonton.

This course is designed to be of practical value to supervisors, managers, foremen - those who accomplish their work through

others. Results are produced in the fields of industry, business, the professions, public service and government largely through the management of people and through the wise use of their skills, their time, and their interests. The course will provide a basis for an understanding of the psychology of human behavior in typical work situations; and by looking at the way in which the supervisor and his staff relate to each other and work to together it will identify the psychological principles involved in good management practices.

The content of the course will be both theoretical and practical. Theoretical part will explain what happens between supervisor and his staff, and why it happens; the practical part will provide training in methods and techniques - the how of sound management. The method used will be a combination of lectures and discussions with the use of case studies whenever appropriate and the emphasis will be on the individual student in group. Instructors are Miss, Lolita M. Wilson, Associate Professor of Psychology at the University of Alberta. Wilson has made a special study of industrial psychology.

All sessions will be held in the Conference Room, Department of Extension, University of Alberta, Edmonton, from May 15th to 19th, 1981, inclusive. The course schedule will be from 9:00 a.m. to 4:30 p.m., daily. Fee, inclusive of registration, tuition, and materials, is \$60.00, and the size of the class will be limited to thirty. Early registration will receive preference.

Further information may be obtained from the Director, Department of Extension, University of Alberta, Edmonton, GE 9-4861, Ext. 290.

Letter To the Editor:-

Mr. Arthur Plyford
 Editor
 Drayton Valley Pembina News
 Drayton Valley, Alberta.

Dear Art:

A number of papers in our service area have expressed interest in running a weekly recipe column supplied from our Home Service Department and we are, as a matter of fact, supplying such a service to several papers now.

While I am sure many recipes services are available to you, the particular advantage of recipes from our Home Service Department, are the fact that they are tested in our test kitchen for this climate and altitude and consideration is given to availability of reasonable ingredients.

The other advantage is the fact that homemakers encountering particular problems when using any recipe can get further direction by writing directly to our Home Service Department.

If you would like your name added to the list of papers receiving this weekly service, would you please let us know?

Attached is a typical weekly recipe sheet.

Yours truly

PATIO PICNIC
 Now's the time to set up your back-yard barbecue and enjoy

cooking and eating outdoors. Everyone likes to pick up and help with the cooking -- and champagne is an easier, too. So get out to a good start with a few of our favorite patio recipes.

GRILLED CHICK STRAP

1 1/2 cup chopped onion
 1/2 cup lemon juice
 1/4 cup salad oil
 1/2 cup salt
 1/2 cup, celery salt
 1/2 cup, pepper
 1/2 cup, thyme
 1/2 cup, oregano
 1 clove garlic, minced
 3 1/2 lbs. 1/2 inch thick steak

Combine ingredients except steak. Marinate meat in mixture 3 hours, turning several times. Broil steak on grill over hot coals until desired roteness, about 30-35 minutes total time. Serves 4.

SPECIAL BARBECUED RIBS

1 tbs. celery seed
 1 tbs. chili powder
 1/4 cup brown sugar
 1 tbs. salt
 1 tsp. paprika
 2 1/2 lbs. loin back ribs
 18-oz. can tomato sauce
 1/4 cup vinegar

Combine first 6 ingredients. Mix 1/3 mixture on ribs. To remaining mixture, add tomato sauce and vinegar. Heat and use later to baste ribs. Cook ribs over hot coals till tender (about 30-45 minutes). During last 10 minutes of cooking turn and baste frequently with sauce.

LOOKING AT RECREATION (Cont.) from page 6, Col. 5

Glove Championship in '59-60' and '61, and Western Canadian Crown in 1960. A boy with a real good sense of taking home the bacon.

Edie First Rider Age 23, Weight 147 lbs.

Has been fighting out the Calgary Blood Reserve Boxing Club for five years now. Won 1958 Norvick Golden Gloves at 125 lbs. and was 1957 Open Golden Gloves and Provincial Champion. Was boxed 1940 "Buckskin Boy" at Buckskin Gym Tournament and represented Alberta at Olympic Trials in Montreal last year. A very color full performer.

C.S. Hugh Miller Age 30, Weight 146 lbs.

From H.M.C.S. Stadacona, Halifax, N.S. A real rugged boy with a fine record.

Harvey Badiaga 23, weight 146

A power puncher from 2 - P.P.C. L.L. Ret has an outstanding record winning 40 of his 50 fights. He has won the Provincial Championship and Golden Gloves each three times. Took Canadian Army Championship in 1960 and currently is rated as Welterweight Champion of

Women's Column

Manfred Mahberg Age 30, Weight 147 lbs.

From Madison Boxing Club in St. Boniface Man, Mahberg is a veteran of near a dozen years in the fight game. He has fought the best in the country at his weight and made no quarter nor gives none.

Bruce Blanchard Age 31, Weight 147 lbs.

Blanchard hails from Marshall, Sask. He won the Saskatchewan Norvick Welterweight Championship in Regina last year and took the Open title last week in Lloydminster to qualify for the National. Bruce is a fine boxer and a sportsman deluxe.

LIGHT WELTERWEIGHTS

Rufus Combs Age 17, Weight 139 lbs.

Little can be said of the 1961 Alberta "Golden Boy" that is not already very well known. The Pembina Panther will be out after a Canadian Championship with the entire backing of the home-town folks. The going will be tough but the powerful Pembina Pride will be in there punching all the way.

Winnie Schell Age 19, weight 139 lbs.

Has been boxing out of Vancouver South Hill Club for three years now. Won 1960 B.C. Golden Gloves and Western Canada Championship and topped the year off by taking the 139 pound National juvenile in Montreal. Was first choice on Canada's Boxing Team to Olympics last year. The 1961 B.C. Provincial Champion is a very classy boxer and is rated by many the top prospect in Canada today.

Thorold Larsen Age 27, weight 139 pounds.

From Lions Athletic Club in Vancouver, Larsen has been a tall home in B.C. boxing circles for several years. The durable Scandinavian brawler is bad medicine for anyone in the L. Walter Class. Runner-up to Winnie Schell for B.C. Championship -- a very redoubtable campaigner.

Al Karst Age 31, weight 139 lbs.

This sturdy citizen of Regina has made quite a name for himself, both in Manitoba and Saskatchewan. Was Manitoba Norvick 132 pound Champion in 1958 and won the 130 pound Open Saskatchewan title three consecutive times in 1959-60-61. This is his first crack at a Dominion Title.

The Chapel Hour

A BRIEF STATEMENT OF THE ANGLO-SAXON CELTIC ISRAEL RELIEF Taken from Bethel News Spokane.

We believe in God - The God of the Bible. (Ex. 3:14).

We believe in Jesus Christ, the only begotten Son of G. d. (John 1:14).

We believe in the coming of Jesus Christ on Calvary. (Matt. 26:28, Rom. 6:5).

We believe Christ died for us; (Rom. 5:8) also that He will raise up from the dead. (Rom. 8:34).

We believe in His ascension into Heaven. (Mk. 16:19; Acts 1:9-11).

We believe John 3:16 - "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

We believe in the Holy Ghost and His mission. (John 14:26; Acts 2).

We believe the whole Bible, both the Old Testament and the New Testament; that it is the Inerrant Word of God. (11 Pet. 1:19-21).

We believe in the Gospel of Grace (Act 20:24; Eph. 2:8-9) which is the Gospel of Salvation for all men; that personal salvation by faith in the statement of Jesus Christ is necessary for all humans. Jew, Gentile. (Rom. 3:22-25). Each one must be born again. (John 3:17). To confess Christ, "Who died that sinful men might live in supreme abode all time." (Matt. 10:32-33; Rom. 10:9-13).

We also believe in and seek to make known, the Gospel of the Kingdom. (Matt. 4:23; 24:14).

We believe in the bodily return of Christ. (Acts 1:9-11) Who will take the throne of David. (Isa. 9:6-7; Lk. 1:32) and rule on this earth for a thousand years. (Rev. 20:1-6). Also that this body, the Church, may be united with Him. (Eph. 5:25-33; Col. 1:24; 1 Cor. 10:50-55; 1 Thes. 4:14-18; Rev. 19:7).

We believe the Bible contains God's plan for the remedy of all human life, and we believe that life is working out through the Bible people, called Israel. (11 Sam. 7; Deut. 32:18).

We believe this people Israel, consisting of twelve tribes. (Ex. 28:1-29; 31:23) the descendants of the twelve sons of Jacob. (Gen. 49) were chosen of God to be His people. (Ex. 19:5; Deut. 7:6-8) through whom all nations are to be blessed. (Gen. 22:18).

The differentiation between "Israel" and "Judea" is clearly marked in the Scriptures. (Gen. 1 Kings 15: Jer. 3:16-17; Ps. 134:1-2; Ezek. 37:27; 1 Chron. 10:11). They are not interchangeable terms. To understand this is to understand the key to Israel's truth. (Psa. 114:1-2; 1 Chron. 16:7).

We believe the time has come (Isa. 27:12) when the last "nation and company of nations" (Gen. 35-11) is being found and pos. literally identified. Only one race today answers in every detail to the Bible picture of Israel "in the latter days," and that is the Anglo-Saxon race - the British Empire and the United States of America. They possess what Israel was to possess and they have found what Israel was to do. The "descendants" of this race with Israel are so many as to pronounced that one who reads and carefully studies his Bible in the light of the great Truth will make discoveries that will cause him to give this subject most serious thought, especially in view of what is happening in literal fulfillment of Bible prophecy in the world today. The Gentile kingdoms are being "broken" the time of Israel's captivity is terminus on, the old Gentile social order is being overthrown, and the world is being prepared for the coming and reign upon the throne of David of our Lord, the uniting of all the tribes (Ezek. 37) and the restoration of His Kingdom in the earth. (Zech. 14:16; Lk. 1:32-33). "Out of Zion shall go forth the law, and the word of the Lord from Jerusalem." (Isa. 2:3-5).

We are not a sect, nor a cult. We are Christians of many denominations who, believing the Bible to be the inspired Word of God and therefore literally as well as spiritually true, meet together frequently for prayerful study of the great Lord Truth.

BIBLE VERSE
 GENESIS 1:1
 And God ever every thing that he had made, and he was very good. And the evening and the morning were the sixth day.

MINUTE MESSAGE

ONE TOUCHED HIM
 Throongs of the curious crowded around Jesus as He taught, and even as He meekly walked through the streets. Among them, on one occasion, was a woman who desperately needed help, of the kind that He alone could give-and she knew it. American, yet her rare faith gave her courage to reach out and touch His garment. What happened then? If you don't know the answer, read it in Mark 5:28-33.

We who make up today's throngs need His help as much as did that faithful woman. It is there. We have but to reach out for it in faith.

The Country Parson

"Two given away a lot of advice only to discover later that I should have used it myself."

A STUDY IN STYLE CONTRASTS

Queen Elizabeth II of Great Britain sparkles in a beaded shawl, a white fox stole and crown jewels as she is welcomed in London by Madame Prindal India. The royal train contrasted with the native garb of the Indian high commissioner, who was hostess at a dinner.

LOOKING AT RECREATION
 (Cont'd. from page 10, Col. 3)

Boatrace, Manitoba, formerly with 2-P.P.C.L.I. has a world of experience in the squared circle and will be a match for the best of them. Water's home town is Greenwood, Manitoba.

Clarence Westall Fat Age 20, Weight 135 lb.

Product of the Carleton Place Reserve Boxing Club, Westall Fat is a very colorful performer and has amassed quite a record in the past few years. He has won in Golden Gloves Buckle Gloves and Provincial Tournaments. A courageous scrappier with a heavy punch.

Junia Powell Age 23, Weight 138 lb.

Another Royal Canadian Navy bantam from H.M.C.S. Albion, Halifax, N.S., brings a notable ring record into the Championships.

Harry Cleasby, Age 19, Weight 130 lb.

With 2nd Bat. P.P.C.L.I. Cleasby has had 36 fights winning 20. Won Canadian Army Novice Championships in 1959 and 1960. Was voted Vancouver Island "Golden Boy" in 1960. 1961 Western Command "Open" Champion.

Allen Cutler, Age 28, Weight 139 lb.

Formerly from Salisbury, England Cutler has been boxing for 14 years. He won several Championships in his native country before coming to Canada in 1967. Has competed in many international bouts and has a record which shows 93 victories in 107 fights. A real threat.

NOTE: Word has been received from the Army Headquarters at Camp Valcartier, Quebec, that two men from that Army team will compete in the 129 lb. class. No names nor records were submitted. This brings the total fighters in this Light Welter class to eleven, the highest in the tournament.

LIGHTWEIGHTS

George Goff, Age 17, Weight 132 lb.

From the Regina Boxing and Wrestling Club, Goff has 20 wins in 26 fights. Compared up through Junior and Novice ranks. 1961 Open 125 lb. Sask. Champion; a sly boxer with fine footwork.

Morris Holywhiteman, Age 23, Weight 132 lb.

Morris has been fighting for 10 years. Started at a 90 pound Junior and has amassed a tremendous record over the years. Has competed in Edmonton Golden Gloves 5 times and won a Provincial title on five different occasions. This is his first chance for a Canadian Championship - Morris is single and lives on the Carleton Place Reserve.

"Butch" Blanchard, Age 20, Weight 132 lb.

"Butch" comes from Marshall, Sask. when he ran up an outstanding Junior record a few years ago. He made a ring comeback as a Senior scrappier last year and has been going strong ever since. Rumor has it the 129 lb. class "Butch" is a brother of Erwin Blanchard.

Gabriel Mancini, Age 21, Weight 130 lb.

Mancini comes from the Peace-National of Montreal and has compiled an outstanding record in the past two years. Last year he won the Dominion Featherweight Championship and represented Canada at the Olympic Games in Rome. Gabe is a fine boxer and a crisp puncher.

Bill Tittler, Age 17, Weight 132 lb.

Fighting out of the Jasper Place Boxing Club Tittler has been going for 6 years. He competed as a Junior in the 1957 Nationals in Carmar, Won Provincial Novice 125 lb. Title in 1960 and 129 lb. class. He won the Don't Injure. Bill is one of the classiest boxers in Alberta today.

Kelvin Santilli, Age 22,

Weight 132 pounds.

An action type fighter from South Hill Boxing Club Vancouver, B.C., has fought all the better boys in his class. Probably the Hungarian Boys best effort was losing a split decision to Olympic star Delaney Daniels.

Alphonse Chabot, Age 20, Weight 132 lb.

From Prince George, B.C., Chabot has a fine record both as a Featherweight and a Lightweight. He was the Canadian Feather crown in 1959 and went on the represent Canada in the Pan-American Games held in Chicago. A good boy with a nifty punch. Would like that Canadian title.

NOTE: One more entry will be added to this class from Valcartier Army Camp in Quebec. No names have been submitted and no information has been obtained on the boy.

FEATHERWEIGHTS

Gilbert Crowch, Age 22, Weight 125 lb.

Another product of the Carleton Place Reserve, Gilbert has been fighting steadily since 1955. He won several Junior and Novice Championships and three Provincial Open Titles. Was also winner of 5 consecutive Golden Gloves Championships from '57 to '61. A rugged, tough competitor who carries dynamite in either hand.

Wayne Powell, Age 18, Weight 123 lb.

Wayne started his flint career with the Federation Club in 1957 as a 85 pound Junior. Has had 44 fights with only 5 defeats. In 1959 Powell won 119 lb. Junior Golden Gloves, Northern and Provincial Championships. He has a colorful ring - bringing style reminiscent of Baby Bobby Ruffin of a few years back.

Michay MacMillan, Age 20, Weight 123 lb.

Michay hails from the Northern A.C. Boxing Club in North Battleford, B.C. and has won 14 in 18 - Has boxed most of the

better Featherweights on the Coast and also has taken on the odd Lightweight. Michay is a fine boxer and shows much promise.

Marcel Bellefleur, Age 20, Weight 135 lb.

Marcel is another Palenre Nationale product who has been carefully brought along by the old master mentor Al Decore. He won the Bestamateur National Championship last year and travelled to Rome where he represented our country in the Olympic Games.

BANTAMWEIGHTS.

Horner Healy, Age 16, Weight 117 lb.

Healy is a member of the Carleton Wood Reserve Boxing Club. He has been fighting 6 years and has scored 17 victories in 22 bouts. Horner has won the Golden Gloves Tournament on four different occasions counting his 1961 victory at 119 pounds. He also won the Buckle Gloves as well as the Provincial title at that weight. The rangy, hard-hitting Indian boy is a bright flint prospect.

Dickie Huber, Age 17, Weight 119 pounds.

Dickie has won every Junior Tournament on the Coast which he entered during the past three years. As an Open fighter he has had 10 bouts winning 7, losing 4, and battling in one draw. This knockout puncher who really bases to lose a fight. He hails from the Northern A.C. in Burnaby.

Joan Goddard, Age 21, Weight 117 lb.

Goddard has been fighting out of the Immaculate Conception Boxing Club for a couple of years now. He has 7, met and defeated the best in his native province and looks as a real contender in the Championships.

FLYWEIGHTS

George Cherry, Age 20, Weight 110 lb.

Cherry belongs to the Termonat Boxing Club in Montreal. He is a hardhitting little fellow who has a real chance in the Championships.

Tom Hibbert, Age 16, Weight 110 lb.

With such an outstanding array of fighters there should be plenty of action before the nine championships are crowned Saturday evening. We'll have to wait and see what happens when the bell rings the boys on their merry way next Friday at 7:30 P.M. May the most deserving competitors emerge victorious.

Tom Hibbert, Age 16, Weight 110 lb.

NOTE: One more entry will be added to this class from Valcartier Army Camp in Quebec. No names have been submitted and no information has been obtained on the boy.

128 lb.

Another Northern A.C. boy Tom is Flyweight Champion of B.C. Campaigned for two years as a Junior winning both Emerald and Bronze Gloves. Tommy has had two bouts as an Open fighter and is unbeaten to date.

Roger Adolph, Age 18, Weight 112 lb.

The Indian boy from the South Hill Boxing Club shows much promise and should make a strong bid for the Canadian Flyweight Championship.

Jerry Palmer, Age 16, Weight 112 lb.

Coming from the Vulcan Boxing Club, Palmer has been in this game for almost three years. Last year he competed successfully in two classes, winning the Golden Gloves at 112 lb. and capturing the 119 lb. Novice Championship at the Billings. Montana Golden Gloves Tournament. Took Southern and Alberta Champ tonight this year. A busy competitor who loves the game Jerry will certainly be a credit to the Alberta team.

Doug Lentend, Age 17, Weight 112 lb.

From Jasper Place, Doug has won 17 out of 22 bouts in the past two years. Was a star as a Junior boxer - runner-up to Jerry Palmer in the Provincial Finals. Doug is a courageous boy who never stops trying.

Dennis Metz, Age 20, Weight 112 lb.

Peter Anthony Prince built the Eau Claire and Bow River Lumber Company mill at Calgary in 1964. Within a short time the mill was powered by small stream and hydro facilities adjacent to the Bow River. As a result of his association with the power problems of the mill, Peter Prince helped originate the Calgary Water Power Company with the assistance of its President, Mr. L.K. Kerr. This company is credited with providing Calgary's first street lighting in the 1950's. Interest of the organization were taken over in 1928 by Calgary Power Company Limited, predecessor of the present day Calgary Power Ltd.

Peter Anthony Prince, with 20 years of experience in the power industry, was a pioneer in the use of hydro-electric power in the City of Calgary. He was the first to install a hydro-electric power plant in the city, which was the first of its kind in Canada. He was also the first to install a hydro-electric power plant in the city, which was the first of its kind in Canada.

It was liberating that brought him to Calgary in 1958 but before long he was engaging in a variety of other enterprises including retailing, ranching and the sale of electricity. This Calgary Water Power Company was ultimately taken over by Calgary Power Company which this year celebrates the 50th anniversary of service to the Alberta public.

Prince's first hydro-electric utility started in 1953 was a humble effort stemming from an old dream of his to develop the Bow River. The wheel was installed, Calgary people watched two ambitious groups competing for popular approval to furnish electricity in the young town. It was already generating with dynamite driven by steam. Using the name, Calgary Electric Lighting Company Limited, one local group had two dynamite set up in the open lane behind the Bank of Montreal building, while Peter Prince with similar hopes of lighting the town, opened from the Eau Claire mill beside the river.

The rivalry was bitter - just like a frontier election. The Electric Light Company's supporters contended that their dynamite system was safer than the Prince alternating current. The contest reached a

climax at a public meeting called by the mayor. After both sides were heard amid cheers and shouts of derision, the mayor called for a vote. The Peter Prince proposition to light the town won most of the support and he was granted a contract to erect poles and bring light to the dark streets.

Having gained the official approval from the town council, Peter Prince sought incorporation for this Calgary Water Power Company under the laws of the North West Territories. The ordinance to incorporate was passed.

When a Dominion Water Power Licence was granted in 1953 it was just the sixth such licence written. And Calgary, although a frontier town, was the fifth community in all Canada to have street lights.

It was a good pioneer effort - as good as a primitive water wheel on the unpredictable Bow River - would allow. When the river was low, the electric lights became dim. When there was heavy ice or an ice jam, the big wheel stopped and the town was obliged to depend on auxiliary power or go without lights.

After some 15 years of water wheel uncertainty, the City of Calgary built its own steam plant to generate electricity. It had the advantage of more dependability but its electric current was costly to produce. A vigorous young city clamoring for sweet can and industries and conveniences needed the abundance and the economy which a major hydro-electric development would furnish.

It took courage to spend more than a million dollars on a hydro installation - or an installation - at that period, but in 1911 the project was completed and power from the Calgary Power Company's new Horse Shoe plant, 55 miles to the west, was turned on at Calgary to mark a turning point in the history of city progress. That inaugural event was on May 31st 1911.

The thing however, that has caused the discussion is not the advertising, but certain other things relating to lanes that are advanced in the paper promoting certain ideas or beliefs. Some have thought the magazine is put out by "Sobor's Witness". Probably the reason some think that is because mention is made of the "Kingdom", and Witness meeting places all over the country are called "Kingdom Halls". But the Witnesses themselves will be the first to state that they do not have a monopoly on the word "Kingdom".

Now, we had never heard of this magazine before not of these groups of Christians meeting together which they apparently call "King of King Temples". We must confess our ignorance, but we had just never heard of them. We met the man who was in Drayton Valley for the magazine but very briefly on a very busy day. We were able to give him a little information relating to the news and district and he took

This is how the Horseshoe Falls looked just before construction began on Alberta's first central station hydro plant fifty miles west of Calgary. The dam was begun by Calgary Power and Transmission Company in 1909. Calgary Power Company Limited, organized the same year, took over the former company and completed the project in 1911. It was first in a chain of eleven hydro plants operated by Calgary Power Ltd., on the Bow River.

said such nice things about our paper, the Femina News Advertiser. They were kind to speak so well of us, and we hope it is true.

The paper is quite remarkable from the amount of advertising it has from all over the western provinces and down in the states as far south as California and Arizona. It is interesting from that standpoint also, and one might take it on a city for, while it is doubtful if the witnesses and the models they advertised are any better than most of the rest of them along the valley, there is a certain "honey" feeling about eating in a restaurant

a few papers with him. But, just the same, these things that are mentioned in the magazine we do believe, and have believed for a long time: They are:

1. Britain, the U.S., the Commonwealth of Nations, and the Scandinavian countries are all part of Israel. There were no "four tribes of Israel" called of God can be "lost". They were promised, went north and west slowly after the captivity, went into northern Europe and eventually into the "land of the West" where they found others of the Israelites who had preceded them and (no. 2) the establishment of David. The very name "British" comes from two Hebrew words "Bri" and "Shim". The British are God's Covenant people, and through them the Anglo-Saxon-Celtic race of peoples, not in England alone but over the world. "Why do the heathen rage?"

2. Queen Elizabeth herself is directly descended from King David through the Irish kings and through the Scottish kings. The "Stone of Scone" is, in fact, only an ancient sandstone block yet it is venerated, unconsciously perhaps, by the people of the British Isles, because it has its origin in the Divine call of Jehovah, when He called to Jacob at Bethel (Genesis 28) The Stone of Scone, or the Stone of Destiny as it is sometimes called, which now rests under the Coronation Chair in Great Britain, was brought to Northern Ireland by a Hebrew prince, remained in Ireland for years, was taken to Scotland and finally came to rest in England where it will remain until such time as Christ Himself takes over the Throne of David. The British monarchy themselves know that they are directly descended from King David through the Irish and Scottish kings, although they never publicize the fact for obvious reasons. At this present time Queen Victoria had a Genealogical chart prepared, tracing the unbroken royal birthline to King David. Copies of the chart are in British Museum and Buckingham Palace. Some day we may publish the chart in this paper. Someday one of the world's grandest historical novels will be written about the travels of the Stone of Destiny from Jerusalem to the British Throne chair.

3. The Great Pyramid of Egypt is a Divine origin. About fifty years ago Dr. Davidson found the key that unlocked the mysteries and the prophecies of the great pile of stone which for centuries men had thought had been built merely as a tomb to which to bury Egyptian kings. The key was the "Pyramid Inch." By using that key many great and recent happenings were foretold, the beginning of World War I, Great Depression and many others. The English-speaking peoples are the only ones who use the inch as

a unit of measurement so the message was to the Anglo-Saxon-Celtic peoples, and about the Anglo-Saxon-Celtic peoples.

God directed the building of the Pyramid. "The Bible is true". The building of the pyramid preceded the writing of the Bible by hundreds of years. Both were of Divine origin.

From here we will go just a little further than the magazine went. We say that as Christ came "not to be ministered unto" but "to minister" to the people whom God called in Abraham "the father of nations" were not called to sit upon-gilded thrones but to serve humanity and the world at large. And they have; and will yet again in greater measure! All the world's great humanitarian movements have been originated by the people whom we now identify as modern-day Israel. In spite of mistakes they have committed, among backward heathen nations these same people have brought civilization, education, democracy, freedom and the Bible to nations of the world. Wherever the flag of the Israel nation has gone a few centuries ago, the age of "World Dictatorship" began the Bible and democracy have gone also, and in the last few years new nations have come into being, because Israel was "the servant nation" and God had promised Abraham, "And in thy seed shall all the nations of the earth be blessed."

THE Editor's Viewpoint

Sixteen men and one lady recently took the Dale Carnegie Course which was given in the Legion Hall every Monday night, for fourteen weeks. I was one of that group and would like to go on record as saying that while I have no way of judging my own performance, each and every one of those others who took the course with me made the most amazing progress in public speaking that I have ever seen. While at the first session they were timid, bashful, highly nervous and inarticulate, long before the course was over they were all speaking with clarity and precision and ease of manner. At the last session of the class everyone present was given a subject one second before they were to speak on it and each and every one no matter what assignment they drew to speak on, whether it was a subject familiar to them or not, did more than a creditable job. They still did a GOOD JOB. I was there and I know. The picture of these men and the lone lady was in last week's paper. It might be well to leave that paper for further reference if any group is ever in need of a speaker in a big rush on short notice, sometime.

The reason that we write on the subject now is on account of an article that appeared in the last edition of Maclean's Magazine entitled "Confessions of a Dale Carnegie Graduate" by Ray Gardner. Reporter Gardner gives a humorous account of the course. And it is in fact human nature is funny to start with, our own and every one else's. Gardner states some of his impressions of the course in a well-written, humorous way and draws no conclusions as to the results beyond giving some illustrations that had been given by class members and graduate members of the tremendous help the course had been to them in all walks of life.

Before taking the most recent Carnegie course held in Drayton Valley I had attended three sessions of the course sponsored by the Rotary Club and held in the Cardium Room three years ago. The day of the week that it was held at that time did not fit in my schedule for publishing the paper so I was unable to attend the classes for that reason, and your wife's appendix five years ago. Who ever heard of anyone going perhaps I should also confess that the money did present a tougher barrier at that time. When arrangements were made to put in on here, recently it came at a time of week when it was easier to attend each session and, while still tight, the money situation wasn't quite as tight as it was three years ago. So I gladly enrolled and became an enthusiastic "disciple" (and the real meaning of "disciple" is "learner").

For the recent graduates it is perhaps too early to appraise the value of the course, except that without exception all state that they 1. Enjoyed it, 2. Had learned a lot about public relations and particularly about speaking in public, and 3. Not one has stated that they either missed or begrudged the money that the course cost. All seem to feel that it was money well spent. If you don't believe me go ask them, their names were in last week's paper.

But what of those that took the course three years ago? They have had time to evaluate the course and to see whether or not it had done them any good. In the class three years ago there were thirty nine who graduated, more than double the number of the recent class included in that number were five women, housewives, or as they are called in the course, "Home Executives". As well as those who took the course three years ago, a few others have taken it since, drawing all the way from Drayton Valley to Edmonton each week to attend the sessions and, with perhaps one or maybe two exceptions, every one of those who took the course on previous occasions all speak very highly of it. Most state that they would not take for what they learned in the class they would not take many times what the course cost them. Some, of course, are more optimistic than others, but almost

invariably they all state that the course did them a vast amount of good; and that they are still benefiting from it three years or more later.

The course will be back in Drayton Valley as soon as enough who are interested are rounded up. It may be next year, or even the year after, or earlier than that, but when it becomes available you can't lose anything, a stand to gain a lot, by taking it. There is some talk that perhaps a Toastmasters Club will be organized here as a follow-up for the Carnegie Course.

All the circus folk were grieving over the death of Milie, a very old performing elephant of whom they were fond. One man was taking much harder than the others.

CONGO MISSIONARY SPEAKS TO HIGH SCHOOL

Rev. L. Anderson, Ministry with the Evangelical Mission Covenant Church with some twelve years of service in the Congo showed pictures and gave a very interesting talk to the Frank Maddock High School and Forum Monday afternoon to high school students of grades nine to twelve. Rev. Anderson was accompanied by Pastor Joseph of the Warburg Covenant Church and Pastor Fullerton of the new church group forming in Drayton Valley under the sponsorship of the Covenant Church.

The slides of the Congo were very interesting particularly since the Congo is so much in the news these days as one of the world focal points of interest. Rev. Anderson gave a very interesting talk on the present political situation in the Congo. He stated he felt that a certain amount of the trouble was caused by "non-mentality on the part of certain member nations of the occupying United Nations forces, such as the United Arab Republic which are assisting the Communists but quite openly and actively, particularly in the northern part of the Congo which is largely now under Communist influence."

The speaker told several interesting anecdotes on life and happenings in the Congo. He showed a picture slide which he called "Inflation" of a very black little boy, blowing up a very big red balloon. The male members of the student body were intrigued with his account of the absolute superiority of the male in the Congo. The men there do only the work they absolutely have to do or which they think they are much better suited than the women, and the women do all the rest of the work. The female side of the student body were particularly struck with his account of a wedding in the Congo. In their language "Yes" or an assent, is given by a clicking sound in the back of the throat. He described a wedding ceremony in which the bride answered all the standard questions "Do you promise...?" etc., etc., with the clicking sound of assent. "So," said the speaker, "with just a click! down there a girl is married."

The speaker showed slides of hunting in the Congo. He said that among the big game that they hunted were elephants and water buffalo. Most of their hunting was done, not for sport, but for meat for the mission station and the natives. All education in the Congo is handled by the missions, with the government overseeing it.

The visiting group were much impressed with the large new Frank Maddock High School and the cleanliness of it. The student body and the slides and the lectures were among the most interesting part of their session's next column

work. Following the close of the lecture period the students, particularly the twelfth grade students who this year are studying the Congo, gathered around the speaker to ask questions.

OIL WIVES' MEETING -

The Drayton Valley Oil Wives Club held their dinner meeting in the Cardium Room of the Drayton Valley Hotel on May 8 1961. There were 106 present, including guests, prospective members from the waiting list and the members.

As this was the annual meeting and also marked the end of business proceedings for the year, summary reports were given by all the executives on their various activities for the year. Plans for a wind-up dance were discussed. This dance will be held on June 18, Vicki Zucht is in charge of the tickets (\$42-\$813). The forthcoming June 8 meeting will be entirely a social evening and will include the installation of the 1961-62 executive.

The programme for the evening consisted of a potluck supper. The various campaign committees saw to it that their candidates were sufficiently advertised. The election was held and the new Oil Wives slide of officers for the 1961-62 year will be as follows:

President - Dorothy Worthington
1st Vice Pres. - Eva McMullen
2nd Vice Pres. - Eva Helwa

SECRETARY - Von Speer
Treasurer - Molly Whedham

BOXING DRAWS CROWDS

The big show is over and Drayton Valley has done itself proud all along the line. There was a holiday air; a carnival, festive feeling hanging over the town from Thursday night on until early Sunday morning. Even late Sunday afternoon some of the visitors were still here; they stated they had enjoyed themselves so thoroughly they hated to leave. Most of these were much traveled folk, who had taken in boxing shows in many parts of the continent; but with the excellent boxing events that they had witnessed here in the Canadian Amateur Boxing Championships over the past weekend had been something else; something intangible, something indefinable, something that sprang from the heart of the people of Drayton Valley, something of the "Old West" with its sincere and heartfelt hospitality.

They all said "Thank You, Drayton Valley" and to that we add "Drayton Valley we're proud of you" For what the folks of Drayton Valley did, in the magnificent staging of the big national boxing events, and in their deep and sincere hospitality, they did not for Drayton Valley alone, for the benefit of it will go far beyond the confines of this town.

It will enhance Amateur Boxing it will speak for and from the heart of the entire West. People won't soon forget, and the story of what has been done here in Drayton Valley will travel far and wide as when a stone is cast into the surface of a placid pool and the ripples reach out, successively farther, until they have lapped the distant shores.

But if the folks of Drayton Valley did a magnificent job in the staging of this affair, those who took part in the boxing exhibition had an even better performance. No one who saw those boys in action could fail to be impressed with the ideals of sportsmanship that had been instilled into all those who took part in the national events. This certainly was not something that was put on from the outside, it was something that sprang spontaneously from the inside, the result of careful instruction by managers and trainers and coaches of the various clubs represented.

The display of skilled boxing was wonderful, but much more wonderful was the sportsmanship displayed by these lads, who were, for the most part, youngsters. It was as Mayor A. Meier said in one of his speeches:

"We are seeing here boys who are almost greater in defeat than are those in victory... Those boys who don't win the decision have been in these throwing everything they have until the moment the bell rings to end the action, and then, they take defeat in true sportsmanship fashion... by sincerely congratulating the winner."

And that was a lesson that we who watched might very well heed, we were all mightily impressed with the sportsmanship bred into these boys, and no one who saw it could help but feel better for the seeing and perhaps to resolve to meet life's defeats more adequately.

Drayton Valley's latest acquisition, her band, under the direction of bandmaster Karl Wahl, added very much to the sophistication of the occasion. People from other places found it hard to believe that this band was put together and was playing for their first major function on the night of the boxing. On the opening night, Friday, May 12th, the band played for half an hour before the opening of the events. At 7:30 His Worship the Mayor, A. Meier, of Drayton

BLOOD DONOR CLINIC

The Red Cross Blood Donor Clinic will be in Drayton Valley on Tuesday May 23rd in the Frank Maddock High School Auditorium.

Last September the Clinic was held in the high school auditorium with a quota of about 300 points which was exceeded slightly with a total of 306. In March of last year the quota was not quite met, with only 279 registered to give blood. In the September Blood Clinic the Lions Club won the plaque donated by

the A.A.R.N. and will work hard to hold it again this time. Quota for this Clinic is about the same as previously, with a quota of some 300 set for this time. It is hoped, and expected however, that Drayton Valley will go away over the quota. Let's show everyone that we do things in a big way out here and go far over the quota.

Times for the Clinic are 2:00 to 4:00 in the afternoon and 7:00 to 8:00 in the evening.

FISH & GAME ASSOC. MEETING

The Pembina Oilfield Fish and Game Association held a public meeting in the Scotch Hall on Tuesday, May 9th. A good crowd heard President John Reid outline plans for re-organization and growth of the association.

Projects planned for the year were outlined. These included a survey of pothole lakes and suitable creeks in the area with the object of stocking trout in them. The area around Drayton Valley is considered good habitat for pheasants and the feasibility of stocking them here is being considered.

Two films were shown; one on Jasper Park, and the other on Trout fishing.

The subject of the Brazeau Dam Project was discussed. It was stated that at present there are no plans to remove the heavy wood growth from the area to be flooded by the dam. The meeting was told that leaving the trees to be flooded would ruin the water for fish propagation for at least 50 years and for

boating for many years to come. Also, the pollution aspect was mentioned. The heavy spruce growth in the area would pollute the water with tannins for years to come. The association's secretary, Dr. J. Woytuck, was instructed to write the proper authorities for further information regarding the Brazeau Dam.

Dr. Woytuck spoke on the importance of a strong Fish and Game club and requested those present to become members. Over 25 new members were signed up.

It was decided to hold the next meeting on June 12th in the Scotch Hall. Suggestions to invite the ladies were met with enthusiasm. The meeting is to be of an informal nature, with discussions and films on outdoor topics.

M. Pollard was no cream-puff pushover for Lindy Lindmeyer in the 178 lb. class in the boxing finals Saturday night, as this picture shows. Pollard is the boxer on the right. The Central Ontario led put up a very game fight right from the start, even though he was very obviously outclassed in the fight by the hardhitting, aggressive B.C. fighter. His seconds threw in the towel to end the fight in the second round.
